Easter Bible Reading Plan

Welcome to St Paul's Bible Reading Plan for Easter.
This plan offers you a chance to sit and meditate on our need and God's plan of salvation. It is a wonderful way to prepare your heart as Easter comes around.

If you are looking for some inspiration on how you can make the most of these readings, perhaps you can go through this method of asking yourself three questions as you read:

1. What do you learn from this passage about God? [Father, Son, Spirit]
2. What do you learn from this passage about humanity?
3. What do you learn from this passage about the world?

Now write a prayer from your reflections on this passage.
