Carlingford &
North Rocks

2022 Vision Update ✨

What an exciting church St Paul's is to be part of!

Every week I learn or hear of something that excites me about God's work among us. So far this year, we've had over 700 people visit our church for the first time. Some are looking to move from death to life through Jesus Christ. Others are Christians looking to connect into a caring, vibrant community of faith and love.

I am also overwhelmed by the efforts and initiatives of so many people across St Paul's. I give thanks to God for his ongoing work among us, particularly as we continue to emerge from COVID. How wonderful it is, for example, that we can resume sharing Jesus by teaching SRE in local schools.

While the journey is far from over, our transition to team pastoring is bearing much gospel fruit. I wish everyone at St Paul's could see the energy, thought, dedication and prayer of our M drivers. In almost all of our English-speaking congregations, we now have a driver or champion for each M (you can read more about the Ms from page 3 onwards). One of my highlights each month is to see their ideas, creativity, and desire to advance God's mission locally, and for us to make an impact in the world.

Having pastors dedicated to each area is helping our mission to Reach, Love and Serve in so many ways. Our services are increasingly helping us worship and delight in God. Regular evangelistic courses are providing more opportunities. New ideas like Helping Hands, a community care ministry, are fantastic. Seeing the diverse body of Christ at St Paul's mobilised to serve is breathtaking.

I hope you enjoy the brief update from each area of church life in the rest of this booklet. St Paul's is a church of many moving parts (I am still getting used to it!). In the midst of so much to thank God for, we also grieve the loss of Danny and Jack from our team of pastors. We have always been a sending church, so we must keep looking outward. At the same time, I have every confidence that the Lord will provide and grow our pastors team once again.

And of course, I must mention my delight and thankfulness to God for the Ministry Centre DA approval that we recently received. Our dream is a step closer to reality, and another provision from God in our efforts to transform our area because we are so captivated by Jesus as our saving Lord.

Blessings in Christ,

Raj Gupta

St Paul's Senior Pastor

A large, weathered wooden cross stands against a bright, cloudy sky. The cross is made of two thick wooden beams, one vertical and one horizontal, meeting at a central point. The wood shows signs of age and wear, with some darker spots and a slightly uneven texture. The background is a soft, golden-yellow sky with wispy white clouds, suggesting a sunrise or sunset. The overall mood is peaceful and contemplative.

Jesus loves people and so do we.

**“For the Son of Man came
to seek and save the lost.”**

Luke 19:10

How extraordinary it is that Jesus lowered himself and entered our world to give himself as a sacrifice for us. We are so captivated by our saving Lord that we work together in boldly reaching all people with this life-changing gospel.

The broader Parramatta LGA has an estimated population of 283,000 people in 2022. This is expected to increase by 65% to 469,000 in the next 20 years – one of the largest forecasted increases in the country.

We also live in an area that is very diverse, and becoming even more so. As we reflect on the attitude and sacrifice of the one who came to save us, we are compelled to take up the privilege and opportunity of working together in reaching all people with the good news of Jesus.

Our Mission

Jesus. Reach. Love. Serve.

Captivated by JESUS as our saving Lord, we:

**Boldly REACH all people
with the life-changing gospel,
both locally and globally;**

**Sacrificially LOVE each other
and build each other up;**

**Gladly SERVE together practically
to build Christ's body.**

Our Values

We are driven by the death and resurrection of Jesus Christ to be faithful to him. We are compelled by God's Word as our ultimate authority, and seek to foster a submissive attitude to God's voice. We deeply desire to bring glory to God, so we are courageous and creative in the ways we serve.

Team Pastoring

At the start of 2022, St Paul's made the shift to team pastoring. This came from our desire to help more people, more effectively, at all stages on the Christian journey.

Mission

Seeing people move from death to life through Jesus Christ.

Membership

Seeing each person fully connected into a caring, vibrant community of faith and love.

Maturity

Seeing people transformed by word and prayer.

Magnification

Seeing people glorifying God and being devoted to him, by loving, worshipping and delighting in him.

Ministry

Seeing people using their whole lives to gladly serve God and others.

“So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.”

Colossians 2:6-7

While it is still early days, the Lord has been blessing our efforts in implementing the five Ms:

Rod Earnshaw
Mission Pastor

In Mission, we welcomed guests to Hope Explored and Christianity Explored, and ran events that provided opportunities to invite friends. In 2023, Summerfest will be back (in winter!).

In Membership, we are working to welcome and connect the 700-plus first time visitors to St Paul's so far this year through our Newish and StartUp courses.

Kelly Landrigan
Membership Pastor

Candy Grice
Maturity Pastor

In Maturity, we've seen wonderful initiatives like stretch nights and daily devotion guides, with many more joining and investing in growth groups.

In Magnification, we are more focused on glorifying God and delighting in him through Sunday services, as we gather together to respond to God wholeheartedly.

Peter Baker
Magnification Pastor

Sam Russell
Ministry Pastor

In Ministry, we thank God that the number of people who are serving has increased by more than 12% in just 6 months, by starting with people's gifts rather than simply filling gaps.

There is a long way to go in implementing team pastoring. But at this early stage we have much to be thankful for!

Mission

In 2022, we had much to celebrate in the Mission area of church life.

Playcircle, our Monday ministry for kids under five and their carers, has grown from 30 to 55 people over the course of the year. It's helping us to connect with both young children and older members of the community.

In NSW we have the amazing opportunity to teach Special Religious Education in schools. Did you know that 27 people from St Paul's are SRE teachers or helpers in primary schools, with two more volunteers at James Ruse High School?

We also give thanks for the formation of the "Helping Hands" ministry, which aims to show the love of Jesus to people in our local community. Ultimately, we hope the new contacts we make will come to know Jesus' forgiveness.

This year we have run great events like jewellery making at Wednesday Women and Songs and Stories, with invited guests flowing into our Hope Explored and Christianity Explored courses. We are planning to have regular evangelistic courses running each term in 2023 as our key strategy to see people move from death to life through Jesus Christ.

Dot Truong (Mission Driver at Morning Church)

It has been an exciting year for the Mission team as we've rolled out the Next Steps Prayer Card, an Evangelism Survey, followed up mission contacts and been involved in Hope Explored.

We have had immense joy seeing congregation members grow in intentional efforts to make Jesus known to friends and neighbours, praying regularly for them, and being bold in inviting them to evangelistic events and courses. As I've been encouraging others, I've also grown in my own conviction and prayerfulness in sharing Jesus!

A highlight has been leading a small group of women through Hope Explored, and seeing them understand the lasting hope, peace and purpose that Jesus brings. It is such a privilege to see people hear and grapple with the gospel!

27 SRE teachers from St Paul's

140 attended invitational events

20 guests have been part of Hope Explored

Membership

Praise God that so far this year we've had over 700 adults visit our English-speaking services for the first time! This includes those who have come to St Paul's looking for a church, and those who have just come as visitors but are open to coming back again and joining our church family.

We are excited that we've had 51 people join us this year, all adults who've done StartUp and decided to make St Paul's their church family. And we've got another 50 or so who are currently in the process of deciding if St Paul's is the church for them. What an enormous privilege God has given us to meet all of these new people! We want to make sure that all our members, new and existing, are fully connected into a caring community of faith and love.

*51 adults have joined St Paul's
(and more are deciding)*

*Over 700 first
time visitors!*

Joyce Shao (Membership Driver at Afternoon Church)

Our God has welcomed us – those who were once strangers – into his family because of Jesus. It's a joy and a gift to serve in Membership where we can help extend that same welcome to everyone who walks through our doors. The Membership teams have loved helping people of all ages and stages connect into our community at St Paul's. Whatever differences we may have in our life circumstances, the gospel of Jesus unites us as sinners who are saved by amazing grace.

Maturity

Alan Turner (Maturity Driver at Morning Church)

Our growth group team leaders encourage, advise and work with the growth group leaders at Morning Church. It has been a real joy to be part of this ministry. The stand-out for me was the feedback I received from growth group leaders on the recent Ecclesiastes studies. So much healthy discussion took place around living as a Christian in today's society. Growth groups, stretch nights, podcasts, and the use of the Daily Bible Reading material are just some of the opportunities we have to help us 'renew our minds' and 'transform our lives' to be more like Jesus. Praise God!

Last term Maturity undertook an experiment: in house publication of Daily Bible Reading materials. There is no substitute for personal meditation and delight in God's word. We've been so thankful to hear lots of stories of these materials helping our brothers and sisters to dig into God's word for themselves each day. So we decided to do it again in Term 4! We've had a great year in Maturity for so many reasons: we have over 800 members in growth groups, 156 growth group leaders and 22 team leaders, we've held Stretch Nights and online prayer nights, and our Q&A podcast The Extras is going strong. It's easy to forget how special that is. But it is special, and we are thankful to God that he continues to transform St Paul's by his word and prayer.

Spotlight: gospel growth among women

More new young mums are joining us at Wednesday Women, including a guest from Playcircle. Our groups are adopting prayer cards to pray for those who need Christ. Nineteen guests attended Wednesday Women's jewellery making event, and the Mission team have run two Hope Explored courses at Wednesday Women in Terms 2 and 3. One woman recommitted her life to Christ, and another came to know him for the first time!

800 members in growth groups

Over 1,000 Daily Bible Reading booklets provided

We love reading the Bible!

'Thank you Maturity team for this wonderful resource! It has been a blessing to me and many in my growth group, reinvigorating our joyful discipline in Bible reading each day.'

'Really loved it! Helped me develop more consistent Bible reading. First time reading seven days a week for many years!'

'Very good. It helps me to continue in my faith and be strengthened. Bible reading helps me to grow in Christ daily.'

Magnification

Magnification is what happens when the gospel gets a hold on our hearts. When God's steadfast mercy calls forth our love and praise and delight. When we're captivated by Jesus as our saving Lord.

Our Sunday gatherings are such an important time to devote ourselves to hearing our Lord's word and responding to him together. From this specially dedicated time of worship, we go out encouraged and energised to continue worshipping God all through the week.

This year our Magnification leaders and teams have been working hard on all aspects of our Sunday services. We want every part of our services to be rich with God's word, and to follow the arc of the gospel through humble acknowledgement of our sin, the sheer goodness of the word of God's grace, the joyful praise of the saved, and the cheerful determination to persist in faith, hope, and love. We're keen to pursue creative ways to engage with God together and encourage one another – like special prayers, interviews, and testimonies. We hope you've noticed this at your congregation! In God's kindness, we have taken big strides here already, and we're praying for more to come.

A woman with short brown hair, wearing a green cardigan, is smiling and looking upwards. She is in a crowd of people, some of whom are wearing face masks.

“For what you have done I will always praise you in the presence of your faithful people. And I will hope in your name, for your name is good.”

Psalm 52:9

Serving as Magnification Drivers has been a learning curve but a rewarding one! One of the best parts of the journey so far has been getting to know Peter and the other drivers and sharing ideas and insight across the congregations on how to better nurture Magnification at St Paul's. This process has fostered a sense of friendship and support in the Driver group. Watching small changes unfold each week at North Rocks has been encouraging and humbling, especially witnessing congregation members being so willing to share personal stories for the benefit of their Christian brothers and sisters. Personal testimonies are powerful and we hope to do this more. We are also looking forward to a revamp of 'Shine Jesus Shine,' but we haven't heard back from Peter on that one yet.

Luke & Laura Pearce (Magnification Drivers at North Rocks)

Ministry

What a joy this year has been! Our purpose is to see thousands of people at St Paul's serve gladly to build God's kingdom for God's glory, and we are seeing this happen!

We have been excited to form Serve Chat teams at each service. These teams have conversations to help people find a place to serve using their God-given skills and passions. Through this work the Ministry team can support teams in all areas of church life.

We have seen the enthusiasm of teams realising the joy of serving with others for a common purpose.

We have also been creating resources to better equip team leaders and drivers serving across our church. Our first few training sessions have been such a great encouragement to everyone involved.

Caleb Knight and Hamish Coy have completed their time on MTS and we are sending them to Moore Theological College. Next year we will be welcoming Tinik Chiu and Jasmine Huang as MTS trainees.

We have achieved so much under God with so much more to do. Exciting times!

Lucy Zhu (Ministry Driver at Afternoon Church)

Serving in Ministry has been a joy and a highlight of this year. God has answered our prayers generously as we presented our areas of need before Him. I have been encouraged by our Afternoon Church members' enthusiasm when they were challenged by God's word to serve sacrificially. It was particularly exciting forming a new Ministry team at Afternoon Church, and learning along with them how to have serve chats with new and existing members. It has been a privilege seeing members take up new roles and gladly serve to build Christ's body together.

Multiplying Ministers

We currently have an average of 55% of our members serving

We have begun Team Leader training with over 40 team leaders

We have almost 100 team leaders

We have had 104 new servers across our church this year alone

KIDS

at St Paul's

This year our kids have learned about who God is in Term 1, who Jesus is in Term 2, and about wisdom in Term 3. It's clear in the way kids pray, the questions they ask and their knowledge of God's word that they are learning lots at home and at church. Our kids' leaders have enjoyed seeing the average number of kids coming each week grow term by term. Many years have started forming regular small groups, so kids and leaders can get to know each other, create a place to belong, and help leaders focus on growing faith in particular kids - much like our adult growth groups. We spent our kids leaders' training day in July focusing on making small groups great.

Allison Goh (Leader at North Rocks Munchkins & Team Leader at IGNITE)

It is always such a joy serving in kids ministry and watching the children grow in their understanding and love for our great God each week. I have already witnessed so many encouragements and moments of growth amongst many of the kids at St Paul's. This includes seeing the children on Kids Camp thinking hard about who God is, and even seeing some of our Munchkins manage to grasp the tricky concept of the wisdom that comes from God! Through all of this, I have been thankful for the kids leaders' training. It's taught me how to effectively relate God's word to our kids' lives, how to encourage fruitful discussions with them, and ultimately help to serve these kids better.

Gathering as God's family

We have had six all-age services this year across the congregations

Kids have joined in parts of services for Baptisms, Compassion Sunday and school holiday weeks

Give thanks to God that...

More kids have been coming more regularly in Term 3 across all three family services

40 kids came to Kids Camp

Over 10 new kids have come to IGNITE for Years 3 to 6 on Fridays

23 IGNITE and Sunday leaders are new this year or have a new role as Team Leader

Ask God that...

Kids will start coming to IGNITE as SRE teachers start inviting more regularly

Parents and leaders will be reaching, loving and serving, captivated by Jesus, so kids learn to do the same from their example

More families will join us at St Paul's!

One of the most exciting parts of being a leader at Salt is seeing the Year 9 boys I lead grow in maturity in Christ. Some of the best times are when the guys ask a really tough and intelligent question which shows they are growing in taking ownership of their faith, we discuss it, and then go straight back to messing around and cracking jokes. It's a unique and formative time of life for them, and it's a privilege to walk alongside them in it.

Josh Charles (Youth Leader, SALT)

Thanksgiving and Prayer

Please thank God for the momentum and energy that is building in Youth Ministry this year. Ask that God would continue to save many more teenagers in our area, and strengthen our youth to boldly share the gospel with their friends and family. Thank God for all our fabulous youth leaders and ask God to strengthen them in their ministry to our youth.

Chinese Church

We have had around 10 people join our Investigating Christianity course each term. In June, we baptised three people who became Christians, celebrating their trust in our Lord Jesus Christ. In September, after two years of COVID interruption, we organised the Mooncake Festival evangelistic event. More than 200 adults and kids attended! Many brothers and sisters served together to offer children activities' stalls, a drama and dinner. In particular, we had a Two Ways To Live stall where up to 20 people came and heard the gospel!

As Chinese Church has emerged from COVID in 2022, God has been kind in bringing new people to join us.

Thanksgiving and Prayer

Thank God for all those who attended our Investigating Christianity courses and Mooncake Festival event. Pray that God will open their hearts to accept Christ

Give thanks for God's work in the new Christians, and pray for them they would grow and stand firm in Christ

Pray that the leaders in growth groups and ministry teams to continue to serve with joy and humility to build up Chinese Church

Iranian Church

2022: From Recovery Towards Growth

COVID has hit Sydney's Farsi-speaking Christian community fairly hard, but God has helped us push through and keep our congregation alive.

Following our prayer night at Easter, a family and two young guys have now joined our church, and three new members have joined us through our social media. After spending time in Sunday services, Bible studies and one-on-one meetings, two of them have committed their lives to Christ! We're looking forward to baptising them in December.

We are planning to hold another prayer night at Christmas time, and hoping to continue evangelising and reaching out to our area.

Please Pray

That our members will grow in Christian maturity through the ministry of Iranian church

That God will strengthen and guide us in expanding our evangelistic efforts

That God's Spirit will form a Christian-Farsi culture amongst us, step by step

Ministry Centre for Kids and Youth: An Update

In 2019, with God's wonderful provision, St Paul's completed the North Hall extension. Since that time, even with COVID lockdowns, we have seen the Lord bringing more people to St Paul's. But the first few years of the new building have shown us the need for more spaces, such as:

- Rooms for our children and youth, who are both the church of today and tomorrow
 - Small group rooms for growth groups, and a variety of other activities
 - Expansion of the number of activities like Playcircle, ESL, IGNITE, seminars, and outreach events like Hope Explored that can occur simultaneously
 - Offices for our staff, many of whom currently work from temporary site sheds
- 23

In 2021, we became aware that Parramatta Council was changing its planning laws in a way that would limit future Development Applications.

We had a dream, under God. The dream was to accelerate plans to lodge a Development Application before these laws changed. We are thankful to the many across St Paul's who encouraged the staff, wardens and parish council to prayerfully do so, and for the team of consultants who worked together to lodge a DA prior to Christmas 2021.

God blessed these efforts, and the DA was approved in August 2022. The new Ministry Centre provides for an additional 1,470m² of internal space across two levels, and connects to the existing building at two points (including into the current North Hall). To compare, the area of the North Hall is 460m². The vast majority of the new space will be configurable rooms of a variety of sizes.

We are very thankful to the Lord for his ongoing provision. We also need to keep reminding one another that these facilities will be a platform to help us boldly reach more people with the life changing gospel.

In July 2022, we lodged an application for funding of \$1.7m under the NSW Government's WestInvest program. This program is highly competitive; please pray for God's continued provision in a successful funding application.

Our priority has been getting the DA in ahead of the change of planning rules, which has been achieved. There has been no discussion on the timing of fundraising, nor construction. We expect to turn to these matters over the course of 2023.

Further exciting times are ahead!

St Paul's
Anglican

Growing in the Grace of Generosity

In Vision Month February 2022, we launched a new way to help one another grow in the grace of generosity and to help the leadership of St Paul's prayerfully plan for the future.

As we transition into an annual planning cycle, we are asking all who are part of St Paul's to indicate your intended giving amount for the (2023) year ahead in the form of a pledge.

Help St Paul's Plan

In the recent history of St Paul's, we have seen how pledging benefits our planning. When the North Hall was constructed, the Lord sowed such generosity among us that we were able to construct one of the largest Sydney Anglican church auditoriums. It was a wonderful and inspiring goal. In February this year, almost \$100,000 was given to various Thanksgiving Projects. We are hoping to arrive at a point where pledging information can be reliably used to set our church budget.

Growing Generous Hearts

However, the annual pledging process has an even higher goal – to help us all, over time, grow in the grace of generosity. The idea is to provide an annual opportunity for you and/or your family to have a discussion around the question 'what does generosity look like for us?' In a world so influenced by materialism, it is one way to help us all be driven by the grace of the Lord Jesus.

How to Pledge

During vision month, we will be asking the people of St Paul's to:

1. Indicate their intended level of giving for the 2023 year, and
2. Consider making a contribution to one or more of our Thanksgiving Projects for this year.

Your giving ensures that vital gospel work can take important steps forward. Working together as a church, we can pursue God-centred initiatives in ways that would be impossible for individuals working alone.

Scan here to pledge:

Or make a deposit to:

St Paul's Anglican Parish Account
BSB: 062 300

Account Number: 1005 4655

Reference: Kelly / DA / Sign / YouDecide

For you know the grace of our Lord Jesus Christ, that though he was rich, yet for your sake he became poor, so that you through his poverty might become rich.

2 Corinthians 8:9

But since you excel in everything — in faith, in speech, in knowledge, in complete earnestness and in the love we have kindled in you — see that you also excel in this grace of giving.

2 Corinthians 8:7

Thanksgiving Projects

Contributing to one or more of these projects is a practical and tangible way of expressing our thanks to God for his goodness toward us. At the same time, we enable vital ministries and opportunities to take important steps forward.

1 *Membership Pastor Start-Up*

We are so privileged that Kelly Landrigan has joined St Paul's as our Membership Pastor. In the first 9 months of 2022, we have seen over 700 first time visitors at St Paul's! We are investing in connecting people with our church and with Jesus.

Help us boost our budget to meet the start up costs. **Target: \$50,000**

2 *Development Application Costs for Ministry Centre*

In August we received the wonderful news that Parramatta Council has approved our Ministry Centre DA. This will be a significant 2-storey building that will provide almost 1,500m² of additional space for children and youth, as well as office space.

Help us recoup the unfunded costs of preparing the DA. **Target: \$50,000**

3 *LED Sign for Street Corner*

Placing a dual LED sign on the street corner (replacing the current sign) will increase our prominence and enable us to easily advertise Mission and other events. We have been awarded a government grant for this project, and just need to top it up to cover the cost.

Help us increase the visibility of St Paul's in the community. **Target: \$25,000**

4 *Wherever it's most needed*

The parish council will allocate your gift to wherever it is most needed: to help one of the projects above reach its target, or toward some other gospel opportunity or need that arises.

Thanksgiving and Prayer

Mission

Thank God for the establishment of the Helping Hands ministry

Give thanks that many people are using the evangelistic prayer cards

Thank God for the increasing number of people coming to Playcircle, and the connections being made into church life at St Paul's

Pray that we would make the most of the opportunity at Christmas this year, knowing that there are 13500 families in our local area

Pray that all members of St Paul's would have a passion for the lost to be saved

Pray that more SRE helpers will join our team to support teachers and have more opportunities to build relationships with students

Ask the Lord to bless our desire for a regular Hope Explored (or similar) course each term in 2023

Membership

Thank God for the Membership Teams in place across our congregations, and the ways they've been serving us, some of them over many years

Thank God that this year alone, across our English-speaking congregations, we've already had more than 700 adults walk through our doors visiting St Paul's for the first time!

Pray for our Membership Teams who make first contact with newcomers, welcoming them and trying to work out what they need

Pray that all of us at St Paul's see our role in being a welcoming church

Maturity

Thank God for the uptake of Daily Bible Reading booklets, and how God has used this means to encourage many

Pray that all of the adults, youth and kids at St Paul's will meditate on God's word daily, leaning on him and listening to his voice

Pray for our growth group leaders, that each one of them will be filled with the knowledge of God's will in all spiritual wisdom and understanding so they can walk in a manner worthy of the Lord, fully pleasing to him

Magnification

Thank God for the drivers, leaders, and teams who serve in the Magnification ministry

Thank God for their creativity and energy in crafting encouraging panel discussions, interviews and testimonies, videos and special prayers

Pray for our whole church family to be growing in our love for God and confident joy in his salvation

Pray that we will continue to grow in our understanding of the gift of meeting with God together, and our commitment to gathering in this way

Pray for our music teams' growth in numbers, skill & servanthood

Pray for spiritual wisdom for our prayer leaders as they bring requests and thanksgiving to God on behalf of us all

Ministry

Thank God that he chooses to use his people in his mission to see all things united under Christ.

Praise God for our drivers who have worked hard to understand and grow in their role, for their enthusiasm and desire to see many across St Paul's gladly serve

Praise God for those who have started to use their gifts to serve God

Pray for continued wisdom for the Ministry team as they plan pathways to grow and develop serving members across St Paul's.

Pray that God may stir the hearts of many to gladly serve him with their whole lives

Pray that more purpose-driven teams will be formed to help suitable people find a place to serve at St Paul's

'Rejoice always, pray continually, give thanks in all circumstances, for this is God's will for you in Christ Jesus.'

1 Thessalonians 5:17

Jesus. Reach. Love. Serve.

Mission

Seeing people move from death to life through Jesus Christ.

“Go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you...”

MATTHEW 28:19-20

Membership

Seeing each person fully connected into a caring, vibrant community of faith and love.

Maturity

Seeing people transformed by word and prayer.

“Love the Lord your God with all your heart and with all your soul and with all your mind.’ This is the first and greatest commandment. And the second is like it: ‘Love your neighbor as yourself.’”

MATTHEW 22:37-38

Magnification

Seeing people glorifying God and being devoted to him, by loving, worshipping and delighting in him.

Ministry

Seeing people using their whole lives to gladly serve God and others.

St Paul's
Anglican
